NEW CORPORATE SYMBOL BEING INSTALLED ON HEADQUARTERS BUILDING - 828 MAIN STREET, LYNCHBURG.

Name Change For Fidelity

LYNCHBURG, VA....Effective today, the member banks of Fedelity American Bankshares, Inc. officially change their names to "Fidelity American Bank" followed by an appropriate local geographic designation. All had previously been affiliated with Fidelity American, an $850 million Virginia multi-bank holding company, but had not shared a common means of identification signs.

The new names and symbol will identify checks, passbooks and other legal bank documents of the statewide group. Checks and other forms bearing former bank names will be honored indefinitely and need not be replaced.

At the present time, Fidelity American includes 15 affiliate banks statewide with a total of 81 offices.

New signage displaying a standardized lettering of "Fidelity American Bank" has been unveiled at each of these offices today. The company's recently introduced new symbol, an interlocking white "f" and "a" on a red and blue background, is also included on these new

Blood Donors Receive Pins

At the last visit of the Red Cross Bloodmobile to Appomattox, a total of 101 units of blood were donated toward a goal of 102 units.

Henry Nelson Mann was awarded a 4-gallon pin at this visit; Roger Redman received his 2-gallon pin; one gallon donor pins went to Ralph Hamlett, Ottoway Guill, Annette Williams and Richard Parris.

First time donors were Nancy Keffer, Steven Upton, Michael Croxton, Mike Gibbs, Phyllis Wilson, Connie Martin, Andrew Dreszer, Howard Tucker, Kenneth Hamlett, and Thomas Paulette.

Thanks to these and the many other donors at the visits of the bloodmobile, they help keep our county 100% of its quota.

Construction Underway

A picture of the new Church of God of Prophecy now under construction is shown above. The church is being built by donations of the good hearted folks in our community and with the help of God.

Everyone is invited to go by and look at the new church which hopefully will be completed by spring. When completed the sanctuary will seat approximately 200. The church is located on Road 1010 in Appomattox. To see the church, turn on Oakleigh Avenue, across Route 460 from Bragg Stadium (old high school football field), go two blocks toward the American Legion Hall and turn left on Road 1010 and follow to the end of the road. Anyone interested in giving a donation please call 248-6129 or a352-5063.

The pastor, Edward Atkins, Jr., welcomes all those who do not have a regular church to come and be with them in service. Sunday School is at 9:45 a.m. and worship service is at 11 a.m. each Sunday morning. Evening services are at 7 p.m. each Sunday. The church now is located on Linden St.

The Church of God of Prophecy is truly a growing church in the growing town of Appomattox.

"Come worship with us as we grow".

Revival At Providence

Rev. R. E. McDowell, a well-known minister and pastor of Bethel Baptist Church, will conduct Revival Services at Providence Baptist Church, located in Red House, from October 17 through October 22, 1976.

This great man of God has had many fruitful years of pastoral work and is greatly loved and respected by the people in our area. Called upon to conduct many revivals, Mr. McDowell always does an excellent job. Providence feels fortunate to have Mr. McDowell to conduct this revival, and we are looking forward to a week of renawal and spiritual up-lift.

Along with some excellent preaching during the week, there will also be some excellent Gospel singing each night. The services will begin each night at 7:30 P.M. and eveyone is invited to attend.

We are most pleased to share him and our services with YOU. So come and worship with us each night, won't you?

REVIVAL PLANNED AT GLADSTONE BAPTIST CHURCH

The Gladstone Memorial Baptist Church will be having revival, October 10 - 14 at 7:30 each evening. The visiting Evangelist will be the Rev. Jimmy Dunn, the pastor of the Mayesville and Mulberry Grove Baptist Churches, Buckingham, Va. The music will be under the direction of the pastor, Rev. J. N. Williams and the pianist, Mrs. Tamara Peters and the church choir of the Gladstone Church.

There will be special music presented by various groups in every session of the revival. All of the churches in the area are invited to join with us for these services.

St. Luke

The bright sunny day, after so much rain before, brought a pleasing crowd of friends and members of the St. Luke Baptist Church on Oct. 3rd at 11:00 a.m. to attend the regular preaching service. Pastor Rev. McLaughlin was back from his vacation, and was in charge. The St. Luker's were glad to greet him back. He preached using text from Exodus 14 - 15. His subject was "God is saying to man, Go Forward." The spirit was high and this message was well taken.

Choir No. 2 gave the music. An inspiring communion service was conducted by the pastor. 2 members were reinstated to the church an will be baptized the 1st Sunday in November.

The annual Woman's Day Program will be held the 4th Sunday in October at 3:00 P.M. Because of illness in the family, the 1st speaker for the program could not be present. The substitute speaker will be accompanied by her songsters. Everyone is invited to attend.

Mr. and Mrs. James Tweedy, Mrs. Olie Smith and Mrs. Louise Canada attended the Ushers March at the Triumph Baptist Church at 6:00 p.m. last Sunday. They represented St. Luke in the march.

Sunday, October 10, the Ushers Day program will be at St. Luke at 3:00 p.m. - Please come.

Miss Thelma Hamlette remains on the sick list at this writing.

The senior citizens of Campbell county will meet at Camp Hatcreek for a luncheon on October 8, from 11:30 to 2:30. The executive staff will be in charge of the program.

Rev. McLaughlin will enter the hospital in Danville on Monday the 4th of October for a check up.

Concord

CONSERVATION - Since the 1977 Agricultural Conservation Program (ACP) and Forestry Incentives Program (FIP) arehow upon us, a few words concerning these programs are in order. Why have the programs? These programs are designed to accomplish the most needed conservation practices on farmland in the county. Farmland conservation has continued in the effort to leave future generations with better renewable natural resources than we ourselves have.

ACP and FIP cannot do the job alone. They only provide costshares for work above and beyond what the farmer will do at his own expense. Every year, additional thousands of dollars are invested by our county farmers in conservation practices which benefit our soil, water, woodland and wildlife.

Conservation does go on and through the efforts of our farmers, the results are evident.

SOIL SAMPLES - The success or failure of a crop can be and is dependent on soil conditions. Crop yields can be improved by applying the right amount of lime and fertilizer. Taking a good sample of the soil and having it analyzed to determine the minerals it needs is one way to get good results. Now is a good time to take soil samples for pastureland that will be limed and/or fertilized this fall. We have boxes and record sheets available and will be glad to send the samples to the laboratory for you.

1976 WOOL - If you have sold wool or unshorn lambs in 1976 you may qualify for a wool incentive payment. Applications will be accepted until January 31, 1977. . . Details are available at the ASCS Office.

Mix Your Own Poison

A conscientious housewife was not satisfied with the way her bathroom bowl cleaner was removing stains so she added a dash of household bleach. She was found on the bathroom floor - dead! An unsuspecting victim of deadly chlorine gas.

Mixing household household cleaners can be dangerous. The deadliest mixture is the combination of chlorine bleach with an acid-producing substance, such as bathroom bowl cleaner or vinegar. The result will be chlorine gas.

One Medical Newsletter told of 20 persons in separate incidents being overcome by gases from the combination of clorine bleach and ammonia. These occured in the kitchen, bathroom and in treating swimming pool water.

To be safe - never mix cleaning agents, especially chlorine bleach. Make sure you read the directions and warnings on the labels of all cleaning products.
